ACRM Cognitive Rehabilitation 2nd Edition Online Training

20FEB2023

Individual Online Training Includes:

- **12.25 CME/CEUs**
- **Printed Manual or eBook**
- **Subscription to the Companion Website for one year**
- **Certificate of Completion**

Multi-Seat License Includes:

- **12.25 CME/CEUs**
- **Printed Manual or eBook**
- **Subscription to the Companion Website for one year**
- **Certificate of Completion**
- **25% OFF for groups of 50+ (pricing and discount valid for one year)**
- **Complimentary email announcement**

***Ask about the availability of a 2-hour Q&A session with the authors/faculty (additional fees apply)**

OVERVIEW

Get 12.25 hours of continuing education credits with 24/7 access to a previously recorded two-day training synchronized with presentation slides. Access the material online to learn at your own pace. It's the next best thing to being there!

TESTIMONIAL

“We believe that participating in the ACRM Cognitive Rehabilitation Training and using the evidence-based strategies will result in significantly better outcomes for your patients, their families, and your organization.” – Lance E. Trexler, PhD, FACRM, Cognitive Rehabilitation Manual Managing Editor

HOW THIS WORKS

For a rich learning experience, you can pause and resume and learn at your own pace, this Online Course includes:

- 12.25 hours of continuing education contact hours
- 24/7 access to a recorded Cognitive Rehabilitation Training
- Review pre-recorded two-day training synchronized with presentation slides
- **THE MANUAL:** Printed copy of the *Cognitive Rehabilitation Manual & Textbook Second Edition* — \$295 value! (additional shipping and handling charges apply).

INVESTMENT OPPORTUNITIES

*all prices are subject to change without notice

- **ACRM Members, Individual Cost: \$395**

Includes:

- Six-month access to video recording of the two-day training
- Easy access at your own pace — take the course at your convenience and pace from any browser window
- THE MANUAL: Printed copy of the *Cognitive Rehabilitation Manual & Textbook Second Edition* — \$295 value! (additional shipping and handling charges apply). Additional copies of the Manual may be purchased separately.
- Up to **12.25 Continuing Education contact hours**
- 5 disciplines
 - Occupational Therapists (AOTA)
 - Physical Therapists (ACCME – Non-MD CME)
 - Physicians (ACCME)
 - Psychologists (Division 22)
 - Speech-Language-Hearing Therapists (ASHA)
- Certificate of Completion

- **Nonmembers, Individual Cost: \$495**

Includes:

- Everything listed above

- Plus 6-month introductory ACRM membership with access to all interdisciplinary special interest groups and networking groups, discount member rates on products and conference registration, and subscriptions to all members-only newsletters.
- **Multi-Seat License, Individual Cost: \$371.25**
 - Discount applies to 50+ participants
 - \$495 x 25% discount = \$371.25 each x 50 participants = \$18,562.50 minimum
- **The Manual for ACRM Members: \$195 (plus shipping & handling)**
 - The Manual — all 500 pages, including clinical forms and companion website — is a practical guide for the implementation of evidence-based interventions for impairments of executive functions, memory, attention, hemispatial neglect, and social communication. Available for purchase by caregivers and family members of brain injury patients.
- **The Manual for NonMembers: \$295 (plus shipping & handling)**

Comparison Chart - Online versus In-Person Training

Number of Attendees	Cost per trainee	Online**	2-Day In-Person
50	\$ 495	\$ 24,750	\$ -
50	\$ 495	\$ -	\$ 24,750
50	\$ 525	\$ -	\$ -
Domestic Travel and Honoraria Costs		\$ -	\$ 11,040
Total Cost Before Discount		\$ 24,750	\$ 35,790
Discounted Cost (25% for 50+)		\$ 18,563	\$ 29,603
Cost per Attendee		\$ 371.25	\$ 592.05

*50% deposit required at time of signing

**This table is calculated for 50 attendees. Final price is determined by the number of attendees.

AGENDA

Session 1: Principles of Cognitive Rehabilitation (91 minutes)

Amy Shapiro-Rosenbaum, PhD, FACRM

Session 2: Keeping the Brain in Cognitive Rehabilitation: The Relevance of Functional Neuroanatomy and Neuropathology (72 minutes)

Lance E. Trexler, PhD, FACRM

Session 3: Evidence-Based Treatment of Executive Functions (110 minutes)

Jennifer V Wethe, PhD, ABPP-CN

Session 4: Evidence Based Interventions for Memory (110 minutes)

Thomas F. Bergquist, PhD

Session 5: Evidence Based Treatments of Attention (125 minutes)

Angela Yi, PhD

Session 6: Evidence-Based Interventions for Visuospatial Deficits and Apraxia (89 minutes)

Donna M. Langenbahn, PhD

Session 7: Evidence Based Interventions Social Communication (121 minutes)

Rebecca D. Eberle, M.A., CCC-SLP, BC-ANCDS, FACRM

Session 8: Evidence-Based Group Treatments of Memory and Executive Function (122 minutes)

Donna M. Langenbahn, PhD & Thomas F. Bergquist, PhD

DISCIPLINES

- Occupational Therapists (AOTA)
- Physical Therapists (ACCME – Non-MD Certificate of Participation)
- Physicians (ACCME)
- Psychologists (Division 22)
- Speech-Language-Hearing Therapists (ASHA)

CONTINUING EDUCATION CREDIT

Educational Level: **Introductory/Intermediate**

Instructional Method: **Video Taped Lecture**

CME/CEU: **12.25 contact hours**

COMPLETION REQUIREMENTS: EVALUATION AND CME CERTIFICATES

Credit is only given to attendees that register for the course; successfully complete the entire course; take the post-test after each session and evaluate the course. At the end of the training, you will return to the course home page and click the link for the post-test. You must pass the post-test with 100% accuracy. You may retake the test as many times as necessary. Once you complete the final post-test, you will find the link to evaluate the activity and claim your certificate.

LEARNING OBJECTIVES

To support the attainment of knowledge, competence, and performance, the learner should be able to achieve the following objectives:

1. Use a decision-tree to assist in determining which type of cognitive rehabilitation to implement.
2. Describe techniques for improving attention and the steps involved in carrying out treatments.
3. Identify the general guidelines for the use of external memory strategies.
4. Describe a general algorithm and conceptual framework for structuring interventions for awareness, executive functioning, and behavioral / emotional self-regulation.
5. Discuss the evidence concerning the effectiveness of cognitive rehabilitation in the selection and implementation of specific, individualized interventions for cognitive disability.

STATEMENT OF NEED AND TARGET AUDIENCE

Educational opportunities that promote evidence-based interventions for cognitive rehabilitation are needed by clinicians in order to provide optimum care for individuals with brain injury.

ACRM Cognitive Rehabilitation Training provides such an opportunity by presenting evidence-based standards and guidelines for clinical practice and translating them into step-by-step procedures for use by clinicians. The interventions described can be readily used by occupational therapists, speech and language therapists, psychologists, and other rehabilitation professionals.

DISTINGUISHED FACULTY

Thomas Bergquist
PhD, ABPP-CN
Mayo Clinic, Rochester, MN

Rebecca Eberle
MA, CCC/SLP, BC-NCD
Indiana University Bloomington, IN

Michael Fraas
PhD, CCC/SLP, CBIS
Western Washington University
Bellingham, WA

Donna Langenbahn, PhD
Rusk Institute of Rehabilitation Medicine,
NY, NY

Amy Shapiro-Rosenbaum, PhD
Park Terrace Care Center, Flushing, NY

Lance Trexler
PhD, HSPP, FACRM
Rehabilitation Hospital of Indiana,
Indianapolis, IN

Jennifer Wethe
PhD, ABPP-CN
Mayo Clinic, Purdue University,
Scottsdale, AZ

Angela Yi, PhD
Foothills Neuropsychology and
Rehabilitation Services, Claremont, CA

PHYSICIANS – Approved

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the New Jersey of Academy of Family Physicians and the American Congress of Rehabilitative Medicine. The New Jersey of Academy of Family Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The New Jersey of Academy of Family Physicians designates this enduring material activity for a maximum of 12.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SPEECH-LANGUAGE HEARING PROFESSIONALS – Approved

This course is registered for 1.15 ASHA CEUs (Intermediate Level; Professional Area).

An annual ASHA CE Registry fee is required to register ASHA CEUs. ASHA CE Registry fees are paid directly to the ASHA National Office. To register ASHA CEUs with ASHA, you must complete a CE participant form, turn it in at the time of the activity, and pay the ASHA CE Registry fee. ASHA CEUs are awarded ONLY AFTER receipt of the CE Participant Form AND payment of the Registry fee.

OCCUPATIONAL THERAPISTS – Approved

ACRM has applied for AOTA for Distance Learning-Independent for 12 AOTA CEUs. The assignments of AOTA CEUs do not imply endorsement of specific course content, products, or clinical procedures by AOTA.

PHYSICAL THERAPISTS – Approved

Physical Therapists will receive a non-physician Certificate of Attendance.

TURBO BOOST YOUR PRODUCT OR SERVICE

Extra amplification? Want to do something more? Let us know what you are thinking, and we will help build a custom program for you. For example, potential boosts might include — dedicated eblasts to ACRM’s exclusive email list, additional social media boosting including sponsored stories (Instagram and Facebook), sponsored social media posts, etc.
